RE: Request for Information Pursuant to CERCLA Section 104(e); Santa Susana Field Laboratory,
Ventura County, California Dated June 24, 2009

Dear Mr. Taylor:

Enclosed is U.S. Department of Energy's (DOE) December 31, 2009, supplemental response to the Region IX U.S. Environmental Protection Agency's June 24, 2009, Request for Information letter addressed to Melanie Pearson (now Hurley). An inventory of the documents on the disc is included, indentifying them by the identification number, title and date created.

DOE continues with its review of documents in its possession for responsive documents. We anticipate providing more responsive documents on January 29, 2010. Please let me know if you have any questions with respect to the documents provided with this supplemental response.

Sincerely,

A handwritten signature in black ink, appearing to read "Simon Lipstein".
